Irrigation and Livestock

are pleased to host

# AgFAIR 2007

## Afghan Agriculture Trade Fair

April 22–23  
Kabul, Afghanistan

### CONCEPT

---

AgFair will bring together farmers, private businesses, government officials, agricultural development project staff, and association members to exchange ideas, form partnerships, and celebrate Afghan agriculture.

### INVITED PARTICIPANTS INCLUDE

---

- AICC Business Associations
- MAIL Departments and Regional Offices
- Equipment manufacturers
- Agro-processing firms
- Fertilizer and seed dealers
- Carpet dealers
- Dried fruit and nut processors
- Livestock and poultry businesses
- Wool and cashmere traders
- Irrigation suppliers
- Storage vendors
- Transportation companies
- Banks
- Telecommunications companies
- Donors
- Agricultural Support Programs
- University Departments

International participants will be invited from more than ten countries in Europe, Asia, and North America.

### PROGRAM INCLUDES

---

AgFair will include events such as farming techniques and equipment demonstrations, livestock competitions, agricultural produce cold storage displays, and on-site processing equipment. AgFair will also feature food, as well as musical and other entertainment.

### CONTACTS

---

For current information about AgFair events and participants, register for booth displays, or find directions to the event, contact [agfair@agfair.af](mailto:agfair@agfair.af). Sponsorship enquiries welcome.
